Dear Children

I am so happy you are going to be in Cavell class. We are going to have a fantastic time together in Year One.

Mrs Webster and I are going to make your new classroom an exciting place to learn for you all.

My favourite subject to teach is Maths, I wonder what your favourite lesson will be?

I can't wait to get to know you all better and to hear about your Summer holidays.

We will be together soon and ready to start our new adventure as big Year Ones.

Take Care.

Mrs Houldershaw

Cavell Class Teacher
