ltem	Issue	Action	
1	Welcome and Apologies		
1.1	There were no apologies. Simon Kaye was introduced as a potential		
	new governor (see item 10.1 for appointment).		
2	Declarations of interest		
2.1	The Headteacher declared that her husband runs the school website.		
3	Minutes of the last meeting (11th Dec 2017)		
3.1	The minutes were agreed as a true and accurate record of the		
	meeting and were signed by the Chair.		
4	Matters arising from the minutes/Action tracker		
4.1	Item 5.4 - J. Tate has booked onto the Headteacher Performance		
	Management training (13th June).		
4.2	Item 5.6 - Catherine Wilson's visit note was circulated to governors.		
4.3	Item 5.7 – The Deputy Headteacher does not now need to slim down		
	the existing school brochure for ease of translation as the school is now		
	having new parent handbooks and transition brochures produced.		
4.4	Item 6.1 – The Headteacher had asked staff what they expect from		
	governors. The feedback was that governors are welcome to ask		
	teachers questions directly when in school. Teachers also suggested a		
	social event after Governor Day. Action: Governors to follow up the	All	
	feedback from teachers at Governor Day.		
4.5	Item 9.2 – SEND training for the Governing Body took place on 26 th		
	February 2018.		
4.6	Item 9.3 – F. Shah and S. Hibbert are currently in discussion about ways		
	to strengthen community and parental engagement for the Governor

	the Governor Development Plan around strengthening community and	SHibb/FS	
	parental engagement.		
4.7	Item 10.1 – The Chair had updated the monitoring calendar and		
	reissued to governors.		
5	Headteacher's report		
5.1	The Headteacher's report was sent to governors prior to the meeting.		

	The Headteacher gave an update on pupil numbers in EYFS and Year 1 which increases the total number in school to 293.	
5.2	The Headteacher talked about the progress with improving SEND	
	provision. A governor asked how many pupil premium children are	
	likely to be coming into the new Reception cohort for September. The	
	Headteacher said that she doesn't know at this stage but will probably	
	know in April.	
5.3	A governor asked why there is a lower number of pupil premium	
	children in Year 1, especially with the bulge year. The Headteacher	
	said that a lot of the families are working families so they don't qualify	
5.4	for pupil premium. The Headteacher reported that pupil attendance is variable in that	
3.4	the spring term 1 attendance was a challenge due to illness.	
	However, attendance this half term has improved. Governors	
	congratulated the school for staying open during the bad weather last	
	week. A governor asked if there are still persistent late arrivals and	
	absentees. The Headteacher confirmed that there is and the Chair of	
	Governors had supported one attendance meeting last week. The	
	school is still using penalty notices when required. The current whole	
	school attendance is 95%. A governor asked if the Headteacher is	
	engaging with other schools to see if they are using attendance	
	strategies that are more effective. The Headteacher said that she has	
	engaged with other schools and they seem to be using the same	
	strategies. A governor asked whether some attendance meetings	
	result in opening an Early Help Assessment (EHA). The Headteacher	
	said that it does sometimes. A governor challenged the Headteacher	
	by asking if families are having attendance meetings early enough.	
	The Headteacher said that they convene a meeting as soon as a child	
	is consistently absent. Penalty notice meetings take place when the	
	attendance meetings do not result in an improvement. In response to another governor question, the Headteacher said that the school	
	keeps a log of every single action they take with regards to each	
	case. A governor asked if the school liaises with the Academy next	
	door with regards to the attendance issues of specific families. The	
	Headteacher confirmed that they do. After all the questioning,	
	governors were satisfied that the school is doing everything they can	
	to try and tackle attendance issues.	
5.5	Behaviour logs – A governor asked why the number of time outs in	
	Year 1 has decreased dramatically from last term. The Headteacher	
	said that it is probably due to new teachers in Year 1 who are not	
	consistent yet in recording behaviour incidents. The Deputy	
	Headteacher said that she has reminded the new teachers about	
	time out logs and she confirmed that they are using the correct	
	strategies.	
5.6	Governors discussed the issues around Early Help Assessments being	
5.7	left to schools with little external support. The Headteacher reported that the quality of teaching is good across	
3./	the school. A governor asked what the subject of the lessons were	
	when lesson observations took place in the autumn term. The	
	Headteacher said that it varied and this term all literacy lessons are to	
	be observed. A governor asked if the lessons that were graded as	
	outstanding in the autumn term were literacy lessons. The	
	Headteacher said that at least one Literacy lesson in the Autumn term	
	was graded as outstanding. A governor asked if phonics has been	
	<u> </u>	

1	The state of the second st	
	monitored through lesson observations recently. The Headteacher	
	said that they haven't done that this term as they are focussing on the	
	writing element. However, the Deputy Headteacher conducts	
	informal learning walks looking at phonics as well as doing some team	
	teaching. A governor questioned whether the lesson observations will	
	continue to be graded. The Headteacher said that they would be.	
	She had discussed the possibility of changing this with the Senior	
	Leadership Team but they wanted to keep the grading judgements.	
5.8	Looking at the end of spring term 1 data summary, the Headteacher	
	drew governors' attention to the big gaps in some of the targets and	
	reminded governors that it is only half way through the year and that	
	children are making great progress. The Year 1 data is an	
	improvement on the autumn data and progress is being made on	
	improving writing. The current gap to targets in Year 2 is closing and	
	feedback from the pupil progress meetings is that the targets are	
	achievable. A governor asked how much of the writing has been	
	moderated. Governors were told that during spring term 1, writing	
	was internally moderated and in spring term 2 it will be moderated	
	with two other infant schools.	
5.9	The Headteacher reported that staff absence had been challenging	
	during spring term 1 due to illness. A governor asked how classes had	
	been covered during absences. The Headteacher said that lessons	
	were covered by Higher Level Teaching Assistants (HLTA) and supply	
	cover teachers. The Headteacher said that there has not been too	
	much staff absence this half term (spring term 2).	
5.10	Looking at the pupil survey results, a governor queried how the	
	behaviour result compares with that of previous years. Action:

FGB training and implications for the school – Due to the trainer being ill, the LA sent two other team members to cover the training and the session was shorter due to the bad weather. The implications for the school are that governors need to monitor how things are going with SEND provision and monitor closely the performance data for children with SEND. Governors agreed that they were already doing this. The school had received a reply to their letter to the Educational Psychology Service expressing concerns about the lack of provision	
	available to the school. Action: Governors to read the letter from the	Head/All
