Health & Safety Reminer

Polite reminder that you are **NOT** allowed to smoke anywhere on the school premises. This also includes the use of E-cigarettes. Thank you for your co-operation with this matter.

Attendance

Our Attendance for this week is a fantastic 97%

Classes achieving 95% and getting an attendance star are:-

Hillary Class	100%
Donaldson Class	99.33%
Attenborough Class	98.67%
Armstrong Class	98.21%
Rosen Class	97.42%
Cavell Class	97.33%
Columbus Class	96.55%
Nightingale Class	95.86%

Well done to Hillary Class who are the Attendance Cup winners. For the 2nd week running!

Message From Mrs Waters

What a lovely sunny week we have all enjoyed! It has been great to see the children outside having lots of fun on the field and exploring our new gym equipment at last!

As we look forward to the last week of this half-term, we get ready for our 'Fabulous Finishes' to end our topics—next Friday is certainly going to be exciting for all year groups.

On a sad note, we will be saying goodbye to MRS HYNDMAN at the end of this half-term. Mrs Hyndman is moving house and we wish her lots of luck on her new adventure—keep shining Mrs Hyndman!

We will welcome MRS HENSILWOOD back to teach Columbus class during Summer 2.

I would like to say a great big **WELL DONE** to all staff and pupils in Year 2 for completing all of their 'special work' with such determination and ambition—we are super proud of you!

EYFS

This week we discovered some aliens had come down to Earth in their spaceship and took some of our spare underpants! We decided to write descriptions of what the aliens look like in case anyone spots them again! We have also had a great time exploring our 'Space Shop'. Using money to buy moon rocks of different shapes and sizes.

Year 1

The children in Year One have been concentrating on developing their subtraction skills this week using ten frames and number lines to solve various take away problems. Classes are enjoying their Forest Schools sessions where we have helped Miss Stamper to build dens as well as creating natural art in the style of the artist Andy Goldsworthy.

Year 2

This week we have been developing our Design and Technology skills so that we can create an exciting, interactive castle leaflet. We have been practising making flaps that look like castle doors and drawbridges, and sliders by carefully cut slits into paper to slide paper weapons like catapults and even a portcullis' through! We will include interesting castle facts under our flaps to make sure the reader enjoys reading our leaflet!
