How many of each item can you see?

Can you create a tally chart?

## Seaside Block Diagram

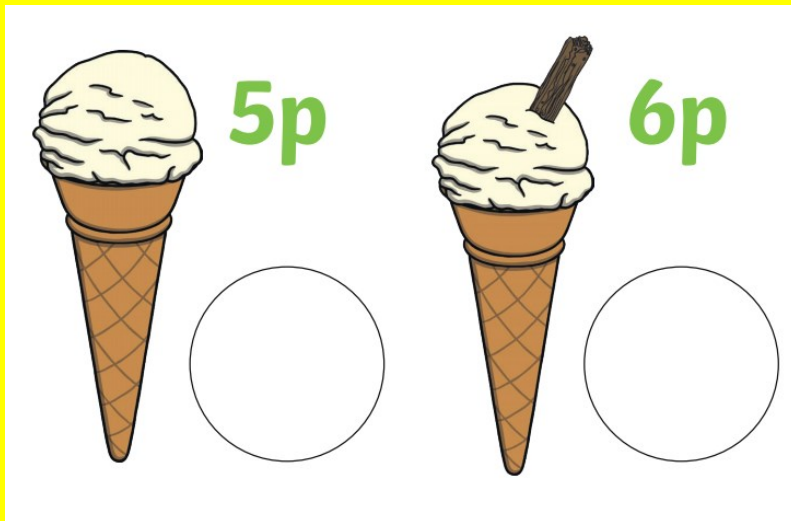

Can you create your own block graph ?

Which was found on the beach the most?

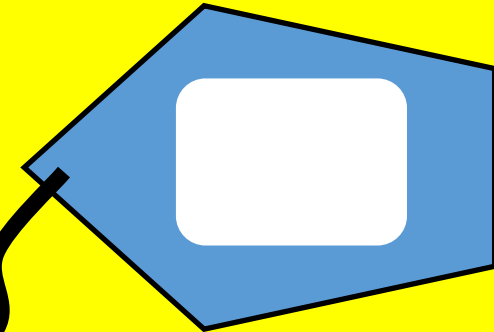

Which wasn't seen very often?

What other questions could you ask?

*Which coins would you use to pay for these ice-creams?*

*How much did you spend in total?*

*How much might this one cost?*

*What coins could you use?*

*Can you think of a different way to make the same price?*
