Message From Mrs Marks

We have been busy embedding our 'Word Aware' approach across school, where each class are introducing key vocabulary across the curriculum in a range of multi-sensory and fun ways. Please talk to your child about any new words they have learned. Next week we are having a focus on E-Safety, don't forget to join us next Tuesday morning for our parent workshop to ensure you are keeping your child safe online. We still have spaces for our 'I'm a parent, get me out of here' session with Mrs Hibbert, pop round to the office to book your place.
Enjoy your weekend!

EYFS

This week we have started to plan a party for Mog! We have created lists for the foods we would like and the party items we might need and have also had a go at writing our own invitations. In Maths we have learnt how to double a number and we have thought about positional language when directing Mog where to go on the moon.

Year 1

The children were very excited on Wednesday as we visited the Methodist Church next door to explore features of the church and to learn about how Christians use this place of worship. A special thank you to Mrs Marshall-Sully for the tour and teaching us all about her community church. In Maths we have been practising our skills of subtracting in order to solve different calculation problems. In English we have been describing the characters from the film text 'Toy Story'.

Year 2

We have been continuing to learn about habitats by visiting the Learning Bus and using the VR headsets. It was exciting to explore the Rainforest, climb Mount Everest, dive into the oceans and discover the animals that are suited to live there. The best bit was getting really close to a polar bear in the Arctic and narrowly escaping from a swimming shark! We used what we learnt to create fact files to share with our friends.

Come and enable our Little Stars to SHINE!

We are a **GOOD** school (OFSTED, December 2019) and we are on the next exciting stage of our journey. This is a great opportunity to make a real difference to the personal development of our children.

Our school is a large stand-alone infant school and we are looking for an individual who:

Is lively and thoroughly enjoys being with children.

Enjoys getting children involved in a range of outdoor activities and games.

Is caring, reliable and has a 'can do' attitude.

Our school can offer:

Enthusiastic and happy children who enjoy learning.

A well-established school family ethos with energetic and dedicated staff.

A commitment to professional development.

Visits to the school are warmly welcomed. We would love you to come and see the exciting things that are taking place at our school. To arrange a visit and to request an application pack please contact the School Office:
