

To Hillary Class,

Wow, what a funny time it has been but I am really looking forward to seeing you all soon! You are so lucky that you will have 3 teachers with you to help with all your learning.

I really enjoy learning about the world and all the animals and different countries. I hope you will enjoy learning about that too! I really enjoy reading too. I am excited to share lots of new stories with you and see some of your own stories that you have written.

I remember a lot of you from Reception and I am really excited to see what you have learnt and how you have grown since we were last together! I am sure you are all a lot bigger too!

I hope you have a really good summer holiday and stay safe. I can't wait to see you in September.

From

Mrs Grainger
