

The Weekly comet

Due to a few incidents since the beginning of term may we remind you all that:

'Abuse will not be tolerated and the Head Teacher and Governing Body will exclude any parents/carers from the school premises should they behave inappropriately towards staff, other parents or children'.

You will be asked to attend a meeting with Governors if there are significant or ongoing concerns around parental behaviour towards staff & other parents & children

School Support

The school is happy to support with the completion of forms or letters for families ie passport applications, on roll confirmations, benefit applications etc however we do need you to give us at least a week's notice please.

Diary Dates!

Friday 15th March—Comic Relief Day. Come dressed as you like! Please send in a coin/s in a named envelope for this national charity.

Book Buzz

Friday 15th March	Rosen & Cavell Class
Friday 22nd March	Inkpen Class
Friday 29th March	Donaldson Class

Attendance

Our Attendance for this week is a brilliant 96%!

Classes achieving 95% and getting an attendance star are:-

Nightingale Class	98.62%
Hillary Class	98.28%
Attenborough Class	97.33%
Rosen Class	96.67%
Columbus Class	95.86%

Well done to Attenborough Class who have now achieved 15 stars and earned themselves extra creative or ICT time!

Well done to Nightingale Class who are the Attendance Cup winners.

Message From Mrs Waters

What an AMAZING Book Week we've had! The children enjoyed the workshops with 'Beat goes on' and have loved reading the story of 'The Finger Eater' too. We hope you enjoyed our very first Book Buzz Breakfast, it was fantastic to welcome so many of you into school to share stories with us. I would like to say a big THANK YOU to all the staff for making Book Week so fun for our children. We are looking forward to welcoming a very special visitor to school next week - keep an eye on the website and our Twitter page to see who this is!

Wishing you all a great weekend!

EYFS

EYFS have had a super book week! We have loved learning about the story, 'The Finger Eater' and all our activities have been based on this book. In Literacy we have used adjectives to describe how the troll looks and behaves. In Maths we have used our fingers to solve addition problems. The children looked amazing in all their costumes!

Year 1

In Year One we have had a busy but enjoyable time this week designing and sewing our own puppets as part of our toy topic. We will continue decorating them next week. We have also explored fractions by finding half and a quarter of giving amounts and looking at the fraction of shapes. In English we have continued exploring toy texts in preparation for writing our own information texts about puppets

Year 2

This week, Year Two have been identifying which mini-beasts might live in the miniature gardens or the wormery that we created. We have used books and iPads to research our chosen mini-beast and discovered what they would need to survive. We presented all the information that we found out in posters, Pic Collages or in an oral presentation to the class. Some of us have been going to Forest Schools and thinking about how we can attract mini-beasts to our school garden by making bug hotels.
