Message From Mrs Waters

Goodness me, how is it half-term already? We have all been super busy and we are definitely ready for a good half-term rest. I am sure you will join me in saying a big THANK YOU to all the staff for everything they have done to help your child to 'Dream, Believe and Shine' this half -term. Your child is truly very lucky to have such a dedicated team of staff who work so hard every day.

Please keep safe over the holiday and have fun creating lots of special memories together. Carry on reading too as we need to ensure every child is reading 5 times a week. We have lots of exciting things planned for Autumn 2 so get ready!

Wishing you all a lovely holiday.

EYFS

This week we have consolidated our learning about 'SUPERTATO'. We have enjoyed chopping vegetables, cooking them, blending them together and then eating them as a delicious soup!

We have also had a fantastic 'Superhero day' and loved seeing all the amazing outfits! We especially enjoyed a visit from Spider-Man and Batman!

Year 1

Year One have had an enjoyable time baking healthy blueberry muffins, which tasted delicious! In our English we have been using bossy verbs to write instructions for how to make healthy muffins. In

Computing, we have been learning about how to save our work and keep our passwords safe. Thank you to all the parents who have supported their children in creating the most stunning CLOOS projects, they are truly AMAZING!

Year 2

We have finished our topic all about 'Treasure Island' by applying all of the knowledge that we have gained to design and make a pirate boat to sail 'around the globe'. We considered how to make it waterproof to protect it from the oceans and the rain, how to make it strong enough to carry the pirate crew and all of their treasure and how to make sure it was comfortable for travelling on such a long journey. The best bit was sailing their boat on water to see if it would float. Ask your child what happened!
