Diary Dates!

Children In Need Day Friday 15th November

Children & staff are invited to come dressed 'as you like' and make a donation of a coin/s. The money will then be split between the school and Children In Need.

Wednesday 20th November 9.00am
Mrs Gardner invites you to join her at a coffee morning to discuss the exciting Christmas Activity programme that we have planned for this term. Pre-school children are welcome to join us.

Half Price Book Fair

We have a half price book fair in school from 20th November—25th November. Please come and have a look! Separate details of opening times will sent out shortly.

Attendance

Our Attendance for this week is a fantastic 97%

Classes achieving 95% and getting an attendance star are:-

Inkpen Class	100%
Cavell Class	99.66%
Hillary Class	99.00%
Attenborough Class	98.70%
Armstrong Class	98.64%
Donaldson Class	96.33%
Nightingale Class	95.99%
Rosen Class	95.47%
Seacole Class	95.33%

Well done to Inkpen Class who are the Attendance Cup winners

Congratulations to Hillary & Nightingale Classes who have achieved 5 stars and have been given a lollipop to take home at the end of the day!

Message From Mrs Waters

What a cold and wet week we've had! It was great that Seacole managed to have one full day doing Forest Schools outside, I know they had a fantastic time with Miss Stamper. We are delighted and proud to inform you all that our 'Wakey, Wakey, Rise and Shine' club has won an award! The children chosen to attend this club are looking forward to deciding how to spend the prize money!

On a sad note, due to personal reasons, Mr Jacklin has decided not to return to his Teaching Assistant role in Cavell class. We will welcome a new TA, Mr Martell, to the class from Monday.

Wishing you all a great weekend!

EYFS

This week we have continued to learn about firefighters by looking at a non-fiction text. We have also been learning a lot about Fireworks Night and about Guy Fawkes. We have visited our Learning Bus to watch a fireworks display and we have been looking at the clothes people wore a long time ago. In Maths we have been learning about the number 5 and we have been singing number songs to learn how about subtraction.

Year 1

Seacole have enjoyed their Forest School sessions where they have made beautiful dream catchers and created stunning Christmas cards using natural materials. Cavell have been thinking about E-Safety during Computing sessions and Nightingale have been exploring pulse and rhythm in their Music lessons. We have updated the Year One corridors with some of the children's amazing learning from this term, please ask to come and take a peek!

Year 2

We have dived right into their new topic 'How Are You?' by meeting a very unhappy & unhealthy character Mrs Slob. She eats doughnuts for breakfast, drinks lots of fizzy drinks, never exercises, and only cleans her teeth once a week! She desperately needs our help! Each class has begun to research what makes us healthy by asking questions about exercise, hygiene & food.

In 'Making Connections' week we looked at the American Artist, Andy Warhol. We discovered how he was the first person to create Pop Art in History, explored his art work in Art, created our own pop prints and even wrote a fact about Warhol in English.
